Crime Victims for Justice is a group of individuals and organizations dedicated to criminal justice reform in Oregon. This year, CVJ will be supporting legislative candidates who are willing to take a hard look at criminal justice issues in Oregon, and respond to the ever-growing cost of corrections in Oregon.

The following survey will be used by our group to determine endorsement and financial support. Please take a moment and fill out the survey. If you have any questions, please call Geoff Sugerman at 503-873-7927.
